

Spring Cleaning Supply List

1. sewing machine with all its parts, extension cord and power strip
2. iron and pressing pad (community pressing stations are great)
3. rotary cutting mat, ruler and cutter
4. pencil and paper for notes
5. thread and bobbins
6. pins and extra machine needles
7. pressing tool for seams, if available
8. seam ripper (just in case!)

Fabric suggestions: fat quarters or fat eighths are great, pre-cutting strips is NOT recommended. Pre-pressing and rolling or laying the fabrics flat will save class time. This is also a great opportunity for fabric or strip swaps to increase variety!

This class is a lots of fun and we will get a lot done! So come ready to strip and sew!!
