

# MAY 2019

A note from our President -

I hope everyone's looking forward to the MQA June Gathering. Being in the presence of 150 of your closest quilting friends can't help but stoke your creativity! Please remember to bring any class project, finished or not, to show everyone at our June meeting. Don't forget to come prepared to share a quilted wedding memory!

See ya'll there.

## Minutes of Monthly Meeting

**May 6, 2019**

The meeting was called to order by our President, Janet Lindsey. There were 36 guild members present including new member, Donna Knight. We also had 1 visitor, Candy Barnett from Riley.

Motion was made by Delene Brown to accept the April minutes as published in the April newsletter, the motion was seconded and all approved.

Judy Robbins mailed out 4 birthday cards and 1 get well card during the month of April.

Missy Lee then gave the treasury report and our current balance is \$3,913.00 after expenses and the \$500 deposit mailed for the fall retreat payment. Thirteen guild members have registered for the retreat, 15 are required. We will open our invitation to quilters outside our guild to register and come join in the fun.

Marilyn Rose informed everyone that the MQA newsletter was sent out earlier today and includes information and registration forms for the June gathering to be held on May 31st and June 1st at Christ United Methodist Church in Jackson.

Polly Duggan made us aware that the local Veteran's homes will gladly accept our patriotic quilts (pillow cases will not be required), please get with her for additional information.

It was announced that The Hills Meet the Delta Quilt Show will be held in Yazoo City on June 8th, 9:00-4:00 at the Triangle Cultural Center.

## Minutes continued -

Cindy Pannier then introduced our program's speaker Dr. Catherine Stevens presenting a trunk show of mother's and other family members quilts. (Catherine is Cindy's dentist)

After the presentation, Sew-n-Tell was shared and the meeting was adjourned.

Patricia Welsch, Secretary, Newsletter Editor

Catherine's mother's quilts were primarily made from clothing or scraps, as no fabric was ever discarded. She spotted several of her childhood dresses in various quilts. Men's shirts were cut up for quilt tops too. Her mother and other relatives would gather regularly to piece, quilt and watch their stories (soap operas) on tv. Children were not allowed to play under the quilting frame.

Her mother also enjoyed embroidery and we were lucky to see her quilt top of birds and flowers for each of the states.
