Cutting Instructions:

Color A

Cut 2 – 4" squares

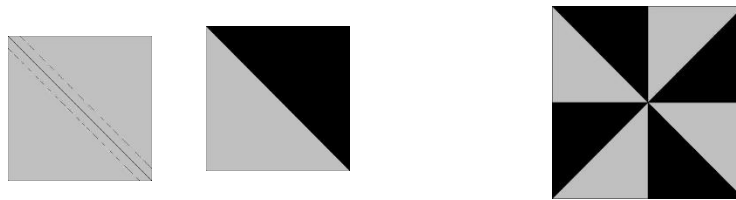

Color B
Cut 4 – 3 1/2" squares
Cut 2 – 4" squares

Background
Cut 4 – 3 1/2" squares
Cut 4 – 3 1/2" x 6 1/2" rectangles

With right sides together, layer a 4" Color A square and a 4" Color B square. Draw a line diagonally from corner to corner and stitch 1/4" on either side of the line. Cut along the drawn line and press the Half Square Triangle (HST) open with the seam toward Color B. Trim the squares so they measure 3 1/2". Repeat the other two 4" squares. Makes 4 Color A/Color B HSTs measuring 3 1/2". Sew the 4 HST into a pinwheel with Color B spinning clockwise as shown. The pinwheel should measure 6 1/2" square.

Place a Color B 3 1/2" square right sides together on the left half of a Background rectangle. Draw a line from the bottom left corner to the top right of the Color B square and stitch on that line. Cut 1/4" away from the stitching and flip the 'sky' open.

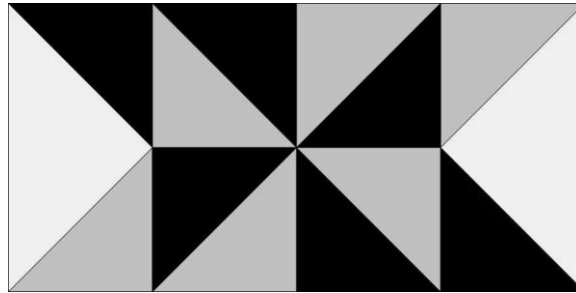

Now place a Color A 3 1/2" square right sides together on the right half of the unit. Draw a line from the bottom right corner to the top right corner of the Color A square and stitch on that line. Cut 1/4" away from the stitching and flip the 'sky' open. The unit should measure 3 1/2" x 6 1/2". Make 4.

Sew a 3 1/2" Background square to each end of 2 of the flying geese. Press seams towards the background square. This unit should measure 3 1/2" x 12 1/2".

Sew the remaining flying geese to opposite sides of the pinwheel. Press seams towards the pinwheel. This unit should measure 6 1/2" x 12 1/2".

Sew the 3 rows together as show on page 1. Press the seams away from the center. The block should measure 12 1/2" x 12 1/2".
