

2025 Brandon Quilters President's Challenge

This year for the President's Challenge, I'm asking everyone to make one or more 8 1/2" unfinished Double Four-Patch blocks to put into charity quilt(s) from the group. Bring your blocks to the meeting when you finish them. Record your name on the sign-in sheet for each block you make.

As an added incentive, for each block turned in your name goes into a drawing for a FQ bundle. If we reach 100 blocks a second name will be drawn and for each additional 35 blocks another name will be drawn. 35 blocks will make a quilt center measuring 40" x 56".

After the quilts are finished, we'll pass them along to Polly for the Community Quilts.

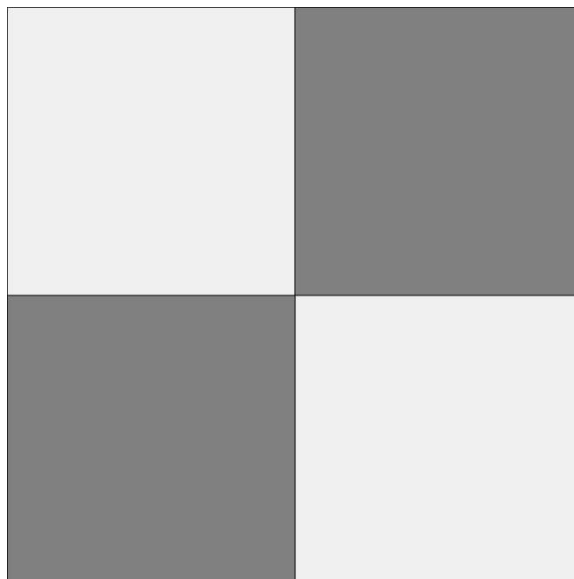

This will be a scrappy quilt as we'll all work from our stashes using medium to dark fabrics and neutral fabrics. Please keep your neutrals on the lighter side. I'll be pulling from my neutral box:

For each block you will need 2 - 4 ½” dark/medium squares, 4 - 2 ½” dark/medium squares, and 4 - 2 ½” light/neutral squares.

Using the 2 ½” squares, make 2 4-patches.

Then make a large 4-patch using the 4” squares and the dark/medium 4-patches. Play attention to the orientation of the 4-patches. See the picture on the previous page.
