

Blossom Chain

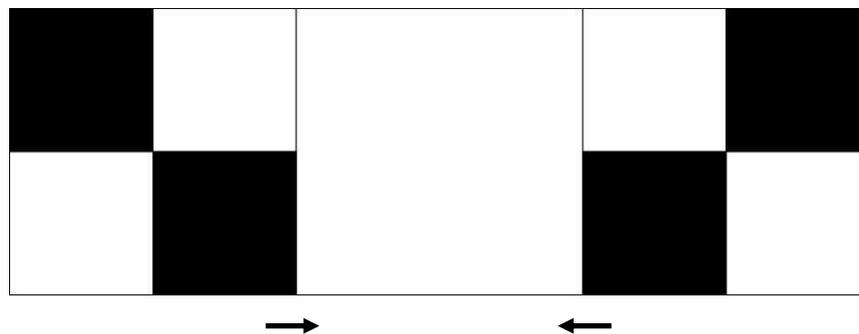

2025 Brandon Quilters Mystery Quilt

Clue #9

In this step you will need the 4-patches from Clue #1 and rows built in Clue #8.

Background	Color A	Color B	Color C

Cut 4 1/2" squares from the Background. 10 are needed for the smaller quilt and 30 for the larger quilt. Sew a 4-patch to either side of the Background square, paying attention to the orientation of the 4-patch. Press the seams toward the center square. Make 5 rows for the small quilt and 15 for the large quilt. Each unit should measure 12 1/2" x 4 1/2".

Using the rows from Clue #7 assemble 5 or 15 blocks. Pay attention to the orientation of 4-patches. The dark blocks should form a chain across the block. Press long seams away toward the center row. The block should measure 12 1/2" x 12 1/2".
