

BRANDON QUILT GUILD UFO CHALLENGE

Need help finishing up those UFO's (aka unfinished quilt projects)? The Brandon Quilt Guild has the ultimate challenge for you!

List and turn in no later than Monday, March 2, 2026, UFO projects that have been started prior to 2026 that you are challenging yourself to finish. Once your UFO list has been submitted you cannot change the Challenge list. Payment to the Guild is \$1.00 for each project and funds must be turned in with the Challenge Form. When completed, present quilted project(s) (quilts must be quilted, bound and labeled), at "Show & Tell". Your name will go into the basket to win one-half of the Challenge money with the other half going to the Guild. The more Quilters who participate, the bigger the pot!
